I  Elections

First, Astrid Sæther informed the meeting about the operation of the Ibsen Centre at the University of Oslo. Errol Durbach called the meeting to order and explained the composition of the IIC committee. He called for nominations to replace 3 members of the IIC whose terms of office had terminated.

II  Proceedings of the 10th IIC

1. Joan Templeton announced that the deadline for the web-site publication was established as 16th June. All participants were encouraged to send her floppy disks and a hard copy of the papers.
2. There was some discussion about publishing the proceedings as a printed volume. Two tentative possibilities were considered:
   a) An *Acta Series* published by the Ibsen Centre, subject to the availability of funding.
   b) A special issue of *Ibsen Studies* in 2004, subject to the approval of the publisher. This would be a double issue with papers selected from those submitted by the participants. The adjudication would be conducted by Knut Brynhildsvoll, Atle Kittang, Joan Templeton, and Errol Durbach. All submissions will be sent to the Ibsen Centre by a date in December 03 to be determined.
III Information about the Ibsen 2006 Year

Jens Morten Hanssen gave a power-point presentation on the research resources available on Ibsen.net. Steinar Hansson addressed the meeting and provided information and plans for the Ibsen Year 2006.

IV The 11th International Ibsen Conference

The hope is, that the next International Ibsen Conference will coincide with the Ibsen Theatre Festival at the National Theatre, preferably one week before Labour Day. The venue of this conference is uncertain, but the University Library at Blindern would be considered. It was decided that this would be an open conference without specific topics or themes.

V 12th International Ibsen Conference 2009

The 12th International Ibsen Conference will be arranged for 2009, possibly in Denmark, Copenhagen.

VI Election results

Sanda Baciu (Rumenia) was elected for another term. Joan Templeton and Mark Sandberg were elected for 2 terms of office.

VII Other business

Joan Templeton warns against copyright infringement if visual material is included in the web-site publication, unless prior permission has been obtained for the use of images. This does not apply to material in the public domain.
