

## **Exam MEVIT 4320 2022**

*Professor Rune Karlsen*

### **Exam questions**

- The exam consists of two (2) questions.
- Each question must be answered in order for you to have fulfilled the requirements of the exam.
- Each question make up one half of the final grade.

Discuss if opinion leaders are important in keeping people informed about politics and societal affairs today. Substantiate your arguments based on the literature.

Both Prior (2005) and Haugsgjerd et al. (2021) aim to study if increasing media choice influence political knowledge gaps in society. Describe the results, and discuss to what extent and why the two studies find similar or dissimilar results.
